Valerie,

As you can see, I have the same problem during the first week of October that I had during the last week of September. The second week of October is fine. The third week, I have an important meeting that had to be coordinated with Richard Cox and Werner Steinacher. However, the WSA meeting is more important, assuming that is the only week that works, and it can be rescheduled. If the first week of October is the only week that works, let me know, and I will see what I can do.

Ted
